Director's Meeting

Monday, 11 June 1951

[Redacted]

25X1

Mr. Dulles reported that there were difficulties with [Redacted] on intelligence liaison and that Gen. [Redacted] had suggested that we not try to work in O/PC matters. The Director said that Mr. Dulles should meet [Redacted] alone and ask them what they would agree to.

Mr. Dulles reported that he was signing a letter to the Chief of Naval Operations concerning a small unit to be established at Pearl Harbor to conduct liaison with Admiral Radford's command. The unit will have nine slots.

[Redacted]

25X1

Mr. Dulles said that CIA had been requested to clandestinely export some more arms to [Redacted]. The Director said that State should decide whether the operation should be clandestine or not.

Mr. Dulles reported that he had discussed with Gen. [Redacted] sending [Redacted] to [Redacted]. The Director said that he approved of this but that he did not want [Redacted] in the operation under any circumstances.

25X1

Mr. Dulles reported that the cable to FEC on psychological warfare would go out today.

Mr. Jackson reported a visit by Fisher Howe of State concerning Acheson's testimony on the question of Japanese peace failures prior to Yalta.

In view of the fact there were no items for the agenda, the Assistant Directors meeting was cancelled.

Mr. [Redacted] reported that [Redacted] had been stopped because we were unable to get any military manpower. (The Director called Mrs. Rosenberg to ask her to get the paper approved.)

DCI's, 11 June 51 (cont'd)

The Director said that we should start preparing now the final report to the NSC on the reorganization; touching on the lack of cooperation on the estimates side; the magnitude issue; and the fact that the JIC is moving towards a position where they would not comment on an intelligence matter without the approval of the JCS. The Director also said that a directive should be prepared covering the IAC and eliminating the FBI and AEC from membership.
